

# THE ICONIC AFRICA PROMISE

We were born and grew up in Africa! Our multi-generational relationships stretch back decades with many of our luxury property owners. Iconic Africa thus guarantees you not only great rates but most importantly the ultimate experience by tailoring boutique elements into your safari which you cannot customise yourself! It will be these extra special touches which will define your Iconic Africa expedition.

First hand knowledge! We have physically been to every destination and know naturally when, where and what will be best for you!

We have teams based in South Africa, USA and Kenya to guide you through every step of your Iconic African journey.

Only the hand-picked elite and most exclusive destinations.

Every enquiry receives an immediate response.

We uplift and give back to Africa with every booking we receive.

Relax and let us take care of everything.

We do this for the love and promise you the ultimate African adventure.
